

INSTRUCTIONS

When seeking recertification for ACI Concrete Flatwork Associate, Finisher, or Advanced Concrete Flatwork Finisher, you can complete 10 hours of approved continuing education during the previous 5-year period instead of taking the then-current written or performance exam (based on program requirements). Finishers and Advanced Finishers must also submit applicable work experience. For Work Experience details, see the ACI Concrete Flatwork Finisher & Advanced Concrete Flatwork Finisher Work Experience Form.

This form only lists approved courses for select venues throughout 2019. Additional forms are available at www.acicertification.org (Certification Programs > Concrete Flatwork Finishing).

Name of Candidate: _____ Certification ID/Last 4 digits of SSN: _____

Address: _____

City: _____ State: _____ Zip: _____

Employer: _____ Employer's Phone: _____

Recertification requires 10 hours, minimum, of continuing education. Hours can be from multiple events (e.g., 5 hrs from WoC and 5 hrs from ACI University [separate form]), taken within a 5-year period. Credit will not be given if the same course is taken two or more times during a certification cycle (5 years). Check all courses taken and fill in the date attended.

World of Concrete: 2019

Hours

Date

- M001 Concrete Basics I: Concrete Materials, Mixtures, Batching & Transporting 3
M002 Concrete Basics II: Depositing, Testing, Placing, Finishing & Curing Concrete 3
